

# OAKHURST VETERINARY HOSPITAL

## Mission Statement

Oakhurst Veterinary Hospital has provided pets and their owners with compassionate, professional care for over 30 years. We are exclusively a small and exotic animal care clinic. Our staff is committed to providing the highest quality level of service we can achieve. We attract the brightest and best employees who share and embrace this goal. You will find that our concern for the pets we treat and the owners, sets us apart! **Our goal is preventative medicine with an emphasis on individual and complete care for your pet.**

## February is Dental Awareness Month

**Come in and let our vet's take a look at your pet's teeth!**

### **What will happen at this visit?**

- Exam ( let us check your pet's overall health)
  - Estimate for pet's dental care
- Schedule an appointment to get your pet the dental care they require

**With this visit and a scheduled appointment for any grade of dental surgery or cleaning and polishing you will receive a \$10.00 off discount and a dental care package full of samples to start caring for your pet's dental care.**

## Dental Care Links

Here are a few links to other websites that can answer some of your dental care questions!
