Healthy Puppy Package

Oakhurst Veterinary Hospital offers a program that provides the necessary vaccinations, wormings, and fecal examination your new pet will need in his/her first months.

*This is a prepaid program and will save you approximately **26%** off the normal costs!!*

This program includes:

1. **First Visit** (6-8 weeks of age)
 - Complete Physical Examination
 - DAPP#1 Vaccination
 - Oral Worming for Parasites
 - Heartworm Medication

2. **Second Visit** (9-12 weeks of age)
 - Complete Physical Examination
 - DAPP#2 Vaccination
 - 2nd Oral Worming
 - Heartworm Medication
 - 1 Year Rabies Vaccine (12 weeks)

3. **Third Visit** (15-16 weeks of age)
 - Complete Physical Examination
 - DAPP #3 Vaccination
 - Fecal Examination (Sample provided by owner)
 - Heartworm Medication

4. **Fourth Visit** (18-20 weeks of age)
 - Complete Physical Examination
 - DAPP Annual Vaccination
 - Heartworm Medication

The cost for this program is only \$ 289.00

It is to be paid in full at the first visit.

It is your responsibility to bring your pet in for his/her visits; no refunds will be made if appointments are not kept.

It is possible that your pet may have specific medical needs; if so, the doctor will discuss any additional costs that you may incur.
